

IN THE WATER, ON THE WATER

YOU'VE SEEN TUBS ON BOATS, BUT FEW AS INVITING AS THIS ONE

Augmenting the nautical environment of this tub is a wireless sound system, lighting system, waterfall and a cute little custom cabinet with bar.

EVERY PICTURE tells a story; and the tale told by these glamorous images is not long, but it is tantalizing. It's about where, rather than what – a simple narrative about the pleasure being immersed in hot water, on water.

AQUA CHOICE WINNER

**OCEAN SPRAY HOT TUBS

Within the spa category, this portable hot tub installation aboard the yacht *Serque* won due to its sheer desirability. Take a look; you want to be there, sinking into the bubbles while the world drifts by at about 8 knots. Yes, you do. ~
